

# **Div Com reviews progress of land records digitalization**

Divisional Commissioner Kashmir Baseer Ahmad Khan convened a high-level with officers of concerned Departments meeting to review the progress of modernization of land records in Kashmir division under Digital India Land Records Modernization programme.

Additional Commissioner Kashmir, Additional Deputy Commissioner Srinagar, Tehsildars and other concerned officials were also present in the meeting.

The meeting was informed that revenue department is doing system design documents, Scanning, indexing of revenue records, digitization of current Cadastral Maps & printing, data entry of updated Jamabandi and RoR (concurrent records).

It was given out that Survey & Resurvey for updated record verification and preparation, development of Web Base GIS enable Cadastral information system is also being done, besides training and hand holding of field staff (CIS & data maintenance) for complete digitization Government has outsourced the job to the Ramtech Company.

Div Com directed that Tehsidhars will be nodal officer for verification, quality and authentication of land records of their tehsil. He directed Tehsidhars to take weekly review meetings with RAMTECH Company to checking out inventories for authentication.

Div Com asked revenue officials to work with close coordination with Ramtech Company so that the digitization process will be completed in a time bound manner.
