It has been noticed that large scale constructions is taking place on either side of the National Highway in contravention to Ribbon Development Act and Land Revenue Act. Such constructions dilute the purpose of National Highway and the situation at present is quite alarming and needs immediate action by the Deputy Commissioners, so as to save the agricultural land from getting converted into commercial/residential utility and also the cause and purpose of National Highway.

In order to stop this practice it is hereby enjoined upon the Deputy Commissioners not to allow any construction on either side of National Highway.
