Subject: Weather and Avalanche Outlook

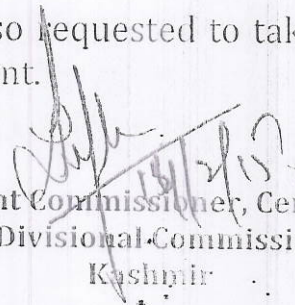

This office is in receipt of communication from Ministry of Defence, Defence R & D Organisation Snow & Avalanche Study Estt. Chandigarh, regarding the above captioned subject.

As per the communication, weather is likely to deteriorate from 15th February, 2015 onwards. This may produce moderate to nearly heavy snowfall in snow bound areas of Kashmir Division.

Extra load of heavy snow on unstable snow pack may initiate avalanches. The avalanche danger may buildup from medium to high levels during 17 to 19 February, 2015 in avalanche prone areas.

Peopole living in snow bound areas of Anantnag, Kulgam, Baramulla, Kupwara, Bandipur, Pulwama, Ganderbal and Kargil are advised not to venture in avalanche prone areas during above mentined period.

The concerned Deputy Commissioners are also requested to take all precautionary mesures, so as to avert any untoward incident.

Assistant Commissioner, Central,
With Divisional Commissioner,
Kashmir
